Make specialty
product and
payer access
more attainable.

**Become ACHC accredited with special discounted pricing
and comprehensive support exclusively from Cencora.**

We believe in the power of accreditation as a tool for specialty pharmacies to improve the quality of patient care and make access to specialty payer and product networks more attainable. So we've established a strategic relationship with ACHC, a nationally recognized accreditation leader, to combine discounted pricing with our comprehensive accreditation solutions that help specialty pharmacies achieve successful accreditation and deliver enhanced patient outcomes.
