Make specialty
product and
payer access
more attainable.

**Become URAC accredited with special discounted pricing
and comprehensive support exclusively from Cencora.**

We believe in the power of accreditation as a tool for specialty pharmacies to improve the quality of patient care and make access to specialty payer and product networks more obtainable. So we've established comprehensive consulting solutions and a strategic relationship with URAC, the Nation's largest independent health care accreditation organization, to help specialty pharmacies achieve successful accreditation and deliver enhanced outcomes.
