

AmerisourceBergen

Your priority is helping patients, our priority is supporting you

**From competitive pricing, to dependable distribution, to intuitive programs,
everything we do is designed to give you more time to focus on patients**

We listen to you

The best way for us to help you overcome your toughest business challenges is to speak with you directly and with a frequency that fits your workflow. We have teams in your region ready to walk you through our comprehensive contract strategy, which accounts for every facet of your business, including generics purchasing, inventory management, analytics, and more.

Our dedicated long-term care sales team focuses on the success of your business, so you can spend time where it matters most – with patients.

We advocate for you

We believe in the power of long-term care pharmacies to make positive impacts on the lives of patients and to strengthen their communities. To make sure your voice is heard, we have a dedicated government affairs team in Washington, D.C., working for your interests every day.

We empower you

Your long-term care pharmacy is a direct reflection of the patients you serve, which is why we design all our solutions to be flexible enough to match the individuality of your pharmacy. By empowering you to do what you do best, we help you provide even more of the high-quality, reliable service your pharmacy is known for.

To continue providing the highest quality of care to your patients, you deserve a distribution partner who understands the unique needs of your business and offers solutions as unique as your pharmacy.
