	Fluzone® Quadrivalent	PFS		✓	Box of 10 (0.5 mL PFS)	49281-0423-50	6+ months	90686
		Fluzone® High-Dose Quadrivalent	PFS		✓	Box of 10 (0.7 mL PFS)	49281-0123-65	65+ years

<sup>1</sup> For all questions related to injection safety, allergies or other vaccination recommendations please refer to the Centers for Disease Control (CDC) and/or the product labeling.

<sup>2</sup> Age indication and designation as “Egg-free” and/or “Thimerosal-free” information is based on information contained in the product labeling and package insert and not on any independent testing or assessment by AmerisourceBergen or its entities. Customers are strongly advised to review each product’s label and package insert for more information.

<sup>3</sup> All codes should be verified between the provider and the payer.

AmerisourceBergen is not promoting any specific product, or making any claims about the safety or efficacy of these products. AmerisourceBergen strongly encourages our customers to review the labeling information for any product and to rely on their own clinical judgment before ordering or prescribing any product for a particular patient.
